What We Do

Learning & Organizational Development (L&OD) builds the knowledge, skills, and abilities of NC State’s workforce by helping them develop and achieve their potential so that the organizations they work for can succeed and grow. L&OD fosters a learning culture where employees are engaged in continuous learning. We facilitate this learning by delivering talent and organizational development strategies and services focused on motivating, engaging, and educating a committed and high-performing workforce. We design the best solutions to assist you and your team in achieving higher team morale and performance. We develop NC State’s talent to think and do.

Read and Learn Together

AUGUST 11, 2016 • RNLNC

John C. Maxwell says if you want to succeed, you must learn how to connect with people. And while it may seem like some folks are just born with it, the fact is anyone can learn how to make every communication an opportunity for a powerful connection. In Everyone Communicates, Few Connect, Maxwell shares the Five Principles and
